

SELECTIVE INSURANCE HIGHLIGHTS KEY SUSTAINABILITY ACCOMPLISHMENTS OF 2023

BRANCHVILLE, NJ, January 3, 2024 – Selective Insurance, a leading business, home, and auto insurer, is proud to highlight advances on key sustainability initiatives in 2023. By embedding these strategies into Selective's business, the company aims to deliver significant value over time for its customers, distribution partners, employees, and shareholders.

"Responsible corporate actions are deep-rooted in Selective's history, furthered by our recent sustainability initiatives," said Tracy Morato, Sustainability Manager. "We are addressing critically important areas that impact our stakeholders, including building a highly engaged workforce, generating renewable energy, and strengthening the communities where we live and work."

Selective's sustainability highlights this year include:

- Completing a solar facility at our corporate headquarters that generates approximately 5 million kWh of energy that Selective sells to others;
- Named one of America's Best Mid-Size Employers by Forbes and awarded our fourth consecutive Great Place to Work Certification™;
- Publishing our third sustainability report, [*Progress Through Impact*](#);
- Issuing a second [Task Force on Climate-Related Financial Disclosures \(TCFD\) Report](#) showcasing Selective's approach to climate-related risks and opportunities and recent Scope 1 and 2 greenhouse gas emissions;
- Creating a [Corporate Social Responsibility digital experience](#) containing updated Sustainability information, and
- Allocating funding through the Selective Insurance Group Foundation and coordinating employee volunteerism to support charities that empower safe, sustainable, just, and diverse communities across the country.

"We've built a strong foundation for sustainability at Selective. Over the coming years, we will continue to integrate sustainability principles into our operations and execute programs that address critically important issues that bring about positive, sustainable change for all our stakeholders," concluded Ms. Morato.
